Fees

Medical appointments at ADMS are generally bulk billed under Medicare. However, patients aged 18 and above pay an annual administration fee of $330 (incl GST).

This fee allows us to provide comprehensive disability-friendly services that would not normally be covered by Medicare.

Feedback

We endeavour to provide excellent healthcare to our patients and thus we would like to hear from you as to how we can improve our services. Please see our receptionist for feedback forms.

Any complaints and grievances should be emailed to admin@admservices.com.au for the attention of the practice manager.

Alternatively, you can contact Health and Community Services Complaints Commissioner at 1800 232 007 or https://www.hcscc.sa.gov.au/

Adelaide Disability Medical Services

CHANGING THE FACE OF DISABILIYT HEALTH

Our practice was established, and continues to operate, **with our patients being at the centre of everything that we do.**

Expert Staff

Adelaide Disability Medical Services (ADMS) is a General Practice that specialises in seeing patients living with disabilities. We are the only independent private practice of its kind in Australia.

We provide medical care covering a wide range of medical conditions including but not limited to:

- Physical & Intellectual Disabilities
- Acquired Brain & Spinal Injuries
- End-Stage Huntington's Disease
- Down Syndrome

We also have a GP who has an interest in paediatric health; she sees patients under the age of 18.

Our Services

We manage acute and chronic medical issues, some of which include:

- Regular General Review
- Annual Medical Review
- Home Medication Review
- GP Management Plan
- Mental Health Care Plan
- Immunisation
- Minor surgery & skin procedure

Consultation Hours

Monday to Friday: 9 am - 5 pm
We are closed on public holidays.

After Hours Arrangements:
Family Home Doctors: 1300 695 628
Weeknights, weekends and public holidays.

Booking Appointments

Our consultations are by appointments only. Please call us to book an appointment. Longer appointments are available on request.

We are a clinic-based practice. Our doctors may do home visits on an as-needed basis.

Becoming Our Patient

Please contact us for more information if you are wanting to refer a person with a disability to our clinic.

Healthcare Collatboration

We take a broad and collaborative approach to the patient's care by working alongside families, support workers and allied health professionals.

Comfort & Care

Our doctors take the time to understand all our patients to address their healthcare needs in a way that works for them.

You will find various disability support aids within the clinic to help patients communicate with GPs and feel at ease when they visit our practice. Moreover our clinic is designed to ensure it can be accessed by patients in wheelchair and onsite parking is available for patients with a disability.

Privacy & Communication

Our practice respects our patients' rights to privacy. We undertake to maintain the privacy of personal health information and related financial information. It is important that your results be given during a consultation with your doctor.

We also have a recall and reminder system, as well as a communication policy, in place for maintaining continuity of care. Therefore please ensure your contact details are current and accurate.
